Do you know what the state of play is on Ex. 5 Deliberative Process (DP)? We've heard nothing since the staff memos were circulated in draft late last week.

Thanks for the help on Ex. 5 Deliberative Process (DP). I'm waiting to hear from my folks whether the company is ready to proceed.

On the meeting with Jon, that is being rescheduled to later in the week. Susan hasn't mentioned what she will bring up when they talk – I'm not suggesting any issues to raise, but as you note, she may raise Ex. 5 Deliberative Process (DP). I hope everyone lets sleeping dogs lie with respect to Ex. 5 Deliberative Process (DP) and we continue with that case post-inauguration.

Larry

Jeff, Nat – I spoke to Larry Starfield this evening about the matters EPA is hoping that we conclude by Jan 19. Larry asked me about status of [REDACTED] including where things stand between [REDACTED] Ex. 5 Deliberative Process (DP) I know Nat mentioned something about this during the course of this very busy day, but I forgot to write down what he said and I've since forgotten.

Can one of you give me a very brief update on where things stand as of the end of this week.

Thank you
